

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Registration Division (7505P)
 1200 Pennsylvania Ave., N.W.
 Washington, D.C. 20460

EPA Reg. Number:

2517-177

Date of Issuance:

4/20/16

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

SPCP4 Plus 1

Name and Address of Registrant (include ZIP Code):

Kelly Hoskins
 Director, Regulatory Affairs
 Sergeant's Pet Care Products, Inc.
 10077 South 134th Street
 Omaha, NE 68138-3710

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Kable Bo Davis, Product Manager 03
 Invertebrate & Vertebrate Branch 1, Registration Division (7505P)

Date:

4/20/16

2. You are required to comply with the data requirements described in the DCIs and EDSP Orders identified below:
 - a. Deltamethrin: GDCI-097805-1100
GDCI-097805-1210
GDCI-097805-889
 - b. Pyriproxfen: GDCI-129032-1299
EDSP-129032-186
EDSP-129032-187

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCIs or EDSP Orders listed above, you may contact the Chemical Review Manager in the Pesticide Reevaluation Division: <http://www.epa.gov/pesticide-contacts/contacts-office-pesticide-programs-pesticide-re-evaluation-division>

3. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.
4. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, “EPA Reg. No. 2517-177.”
5. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 07/31/2015
- Alternate CSF 1 dated 07/31/2015

{Product Name}

READ ENTIRE LABEL BEFORE EACH USE.

**USE ONLY ON [DOGS] [MEDIUM DOGS] [SMALL DOGS][SMALL BREEDS]
[PUPPIES][over 12 weeks of age] [DO NOT USE ON CATS]**

[PRODUCT INFORMATION]

[[{Product Name} [This collar kills [fleas and ticks for up to 6 months.] Collar is a [double layer] sustained-release system [containing deltamethrin and pyriproxyfen] combining the insecticidal actions of vapors and powders [working in [two] [three] ways to provide head to tail protection]. Thus, collar has the effect of simultaneous usage of a spray and powder [in the control of fleas and ticks, including ticks that may carry Rocky Mountain spotted fever]. Use [Product Name] year round for most effective control. [Replace every 6 months or sooner if needed.]]

[[{Product Name} [This collar] kills fleas, ticks, [for] [up to] 6 months] [Product Name] Collar is a [double layer] sustained release system [containing deltamethrin and pyriproxyfen] combining the insecticidal actions of vapors and powders, working in [two][three][four] ways to provide head-to-tail protection. This, collar has the effect of simultaneous usage of a spray and powder [in the control of fleas and ticks, including ticks that may carry Rocky Mountain spotted fever]. Use [Product Name] year round for most effective control. This collar has the effect of simultaneous usage of a spray and powder [in the control of fleas and ticks, including ticks that may carry Rocky Mountain spotted fever]. Use [Product Name] year round for most effective control. [To protect against adult fleas and ticks, collar should be replaced every 6 months.]

[[{Product Name}], containing deltamethrin insecticide and pyriproxyfen an insect growth regulator (IGR), has been specially formulated using [features] insecticide-release technology. [Maximum effectiveness may not occur for 2-3 weeks after collar placement.] [If your dog is infested, you may consider shampooing your dog with an EPA registered [brand name] [flea and tick shampoo] to provide immediate relief from itching and biting before applying the [collar]b[product name]. After shampooing, you want to make sure the dog (hair) (coat) is dry before attaching the collar to your dog.]

[If your dog is infested with fleas or ticks, you may consider using an [oral flea only product] [Product Name]] in conjunction with this collar to provide immediate relief to your pet.]

[Fleas (*Ctenocephalides sp.*) on the dog will be killed Collar will also kill ticks for up to 6 months. Collar will kill ticks including brown dog tick (*Rhipicephalus sanguineus*), American dog tick (*Dermacentor variabilis*), and deer ticks (*Ixodes scapularis* and *Ixodes pacificus*) which may carry Lyme disease. This collar should be worn continuously.]

[Reapply a new collar every 6 months.]

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Do not open protective [pouch][package] until ready to use. Do not let children play with this collar. Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

Do not use on puppies under 12 weeks. Do not use on cats. Consult a veterinarian before using this product on debilitated, aged, pregnant, medicated, or nursing animals. Sensitivities may occur after using ANY pesticide products for pets. If signs of sensitivity occur, remove collar and bathe your dog with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

This collar is intended for use only as an insecticide and is not to be taken internally by humans or animals.

FIRST AID	
IF SWALLOWED:	<ul style="list-style-type: none">• Call a poison control center or doctor immediately for treatment advice.• Have person sip a glass of water if able to swallow.• Do not induce vomiting unless told to do so by the poison control center or doctor.• Do not give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor for treatment advice.
IF IN EYES:	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact 1-800-781-4738 for emergency medical treatment information.	

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[[Do not open until ready to use. Dust [will][may] form on collar during storage. Do not get dust in mouth or eyes.] Place collar around pet's neck, adjust for fit, and buckle in place. The collar must be worn loosely to allow for growth of the pet and to permit the collar to move about the neck. Generally, a properly fitted collar is one that when fastened, will snugly slide over pet's head. Leave[two][2][three][3] for extra adjustment. Cut off and dispose of excess length. Wash hands after [installing] [placing] collar on dog. Replace collar every six months or sooner if needed.]

[OPTIONAL ALTERNATE DIRECTIONS FOR USE FOR INJECTION MOLDED COLLARS]

[[1.] Do not open until ready to use. Dust [will] form on collar during storage. Do not get dust in mouth or eyes. Take the collar out of the packaging and stretch to full length. [The tabs that held the collar in place [should][will] fall off when stretching; pull on any remaining tabs to remove them.]]
